

Earth System Data Explorer Images - Changes in Albedo Values in the Cryosphere

Data Set: Albedo **Variable:** Monthly Albedo Measured at the Surface (dimensionless)
Date: September 2018 **Phenomenon:** Changing Albedo Values

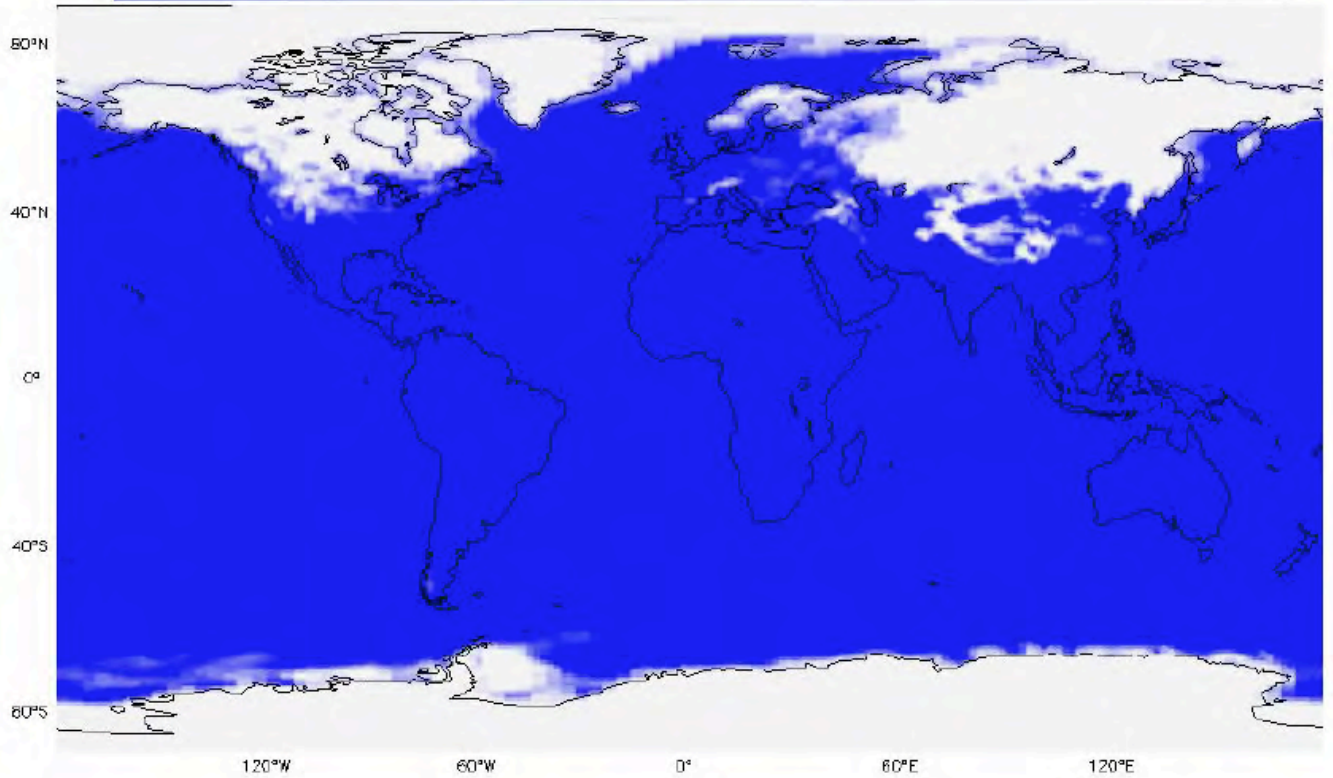

Teachers, are you looking for resources to help you engage students in data analysis related to global changes in the cryosphere using albedo values?

Check out this [monthly 2018 Images](#) set featuring two science variables related to this topic:

- Monthly Snow and Ice Cover:

Data Set: Changes in Snow and Ice Extent **Variable:** Monthly Snow/Ice Percent Coverage (percent coverage)
Date: January 2018 **Phenomenon:** Changing Albedo Values
