My NASA Data

Earth System Data Explorer Images - Changes in Albedo Values in the Cryosphere

Grade Band

- 3-5
- 6-8
- 9-12

Teachers, are you looking for resources to help you engage students in data analysis related to global changes in the cryosphere using albedo values?

Check out this monthly 2018 Images set featuring two science variables related to this topic:

Monthly Snow and Ice Cover:

NGSS Three Dimensional Learning

Crosscutting Concepts

my NASA data

- Cause and Effect
- Scale, Proportion, and Quantity
- Stability and Change

Document Resources
