

Earth System Data Explorer Images - Ocean Circulation

Data Set: Wind Vectors Variable: Monthly Near-Surface Wind Vectors (Ocean) (m/s)
Date: January 2018 Phenomenon: Ocean Circulation Patterns

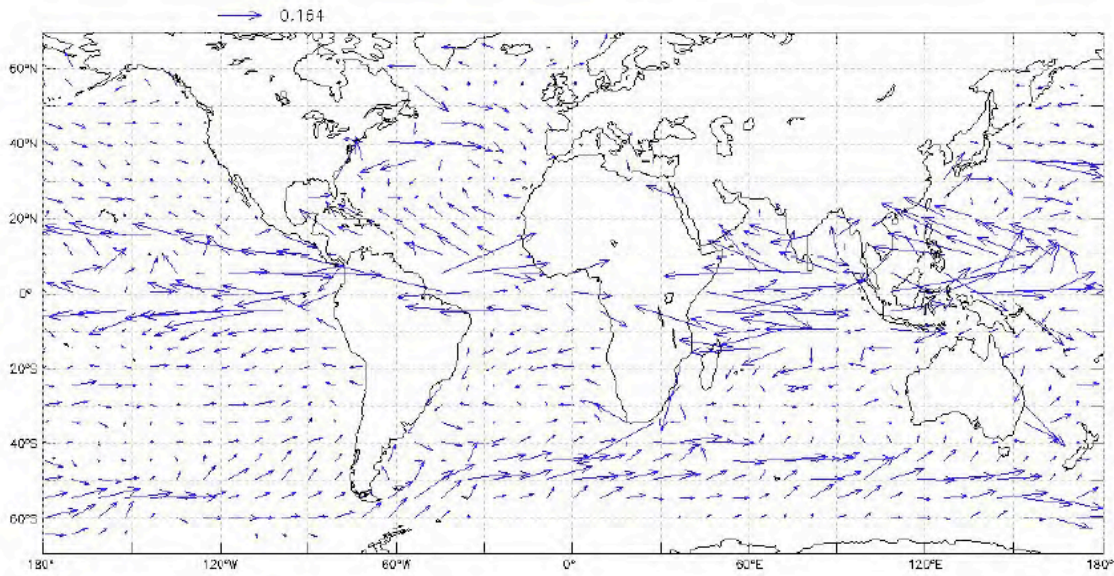

Teachers, are you looking for resources to help you engage students in data analysis related to Ocean Circulation?

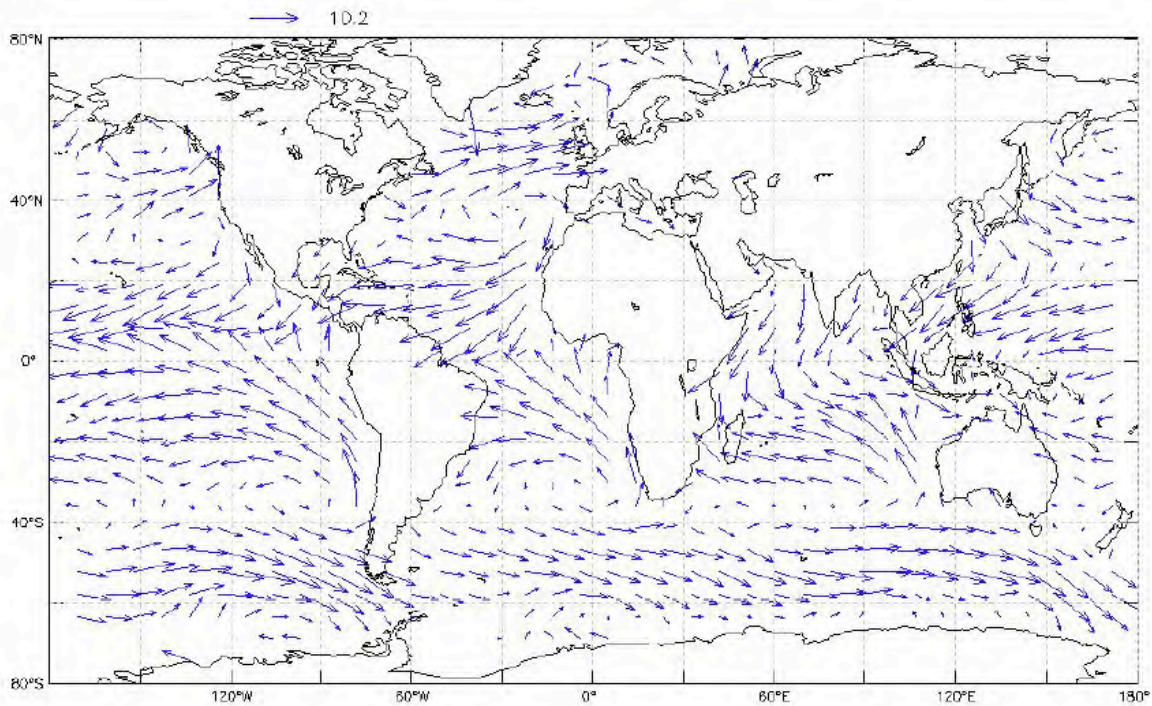

Check out the [2018 Monthly Images](#) featuring two science variables related to Ocean Circulation:

Data Set: Sea Surface Properties **Variable:** Surface Ocean Current Velocity Vector (m/s)
Date: January 1, 2018 **Phenomenon:** Ocean Circulation Patterns

Data Set: Wind Vectors **Variable:** Monthly Near-Surface Wind Vectors (Ocean) (m/s)
Date: January 2018 **Phenomenon:** Ocean Circulation Patterns
