

Earth System Data Explorer Images -Urban Heat Island

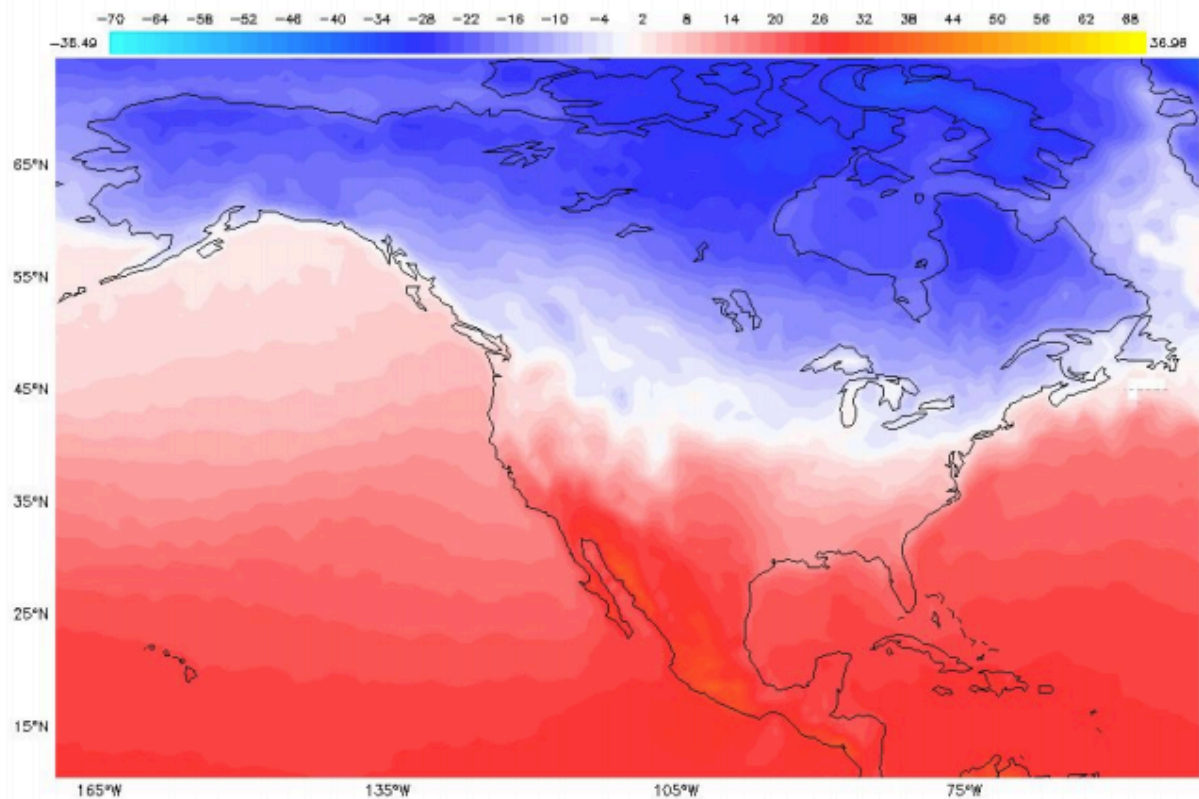

Data Set: Surface Temperature

Variable: Daytime Skin Temperature (degrees Celsius)

Date: January 2018

Phenomenon: Urban Heat Island

Teachers, are you looking for resources to help you engage students in data analysis related to the Urban Heat Island in North America?

Check out the Monthly 2018 Images featuring two science variables related to Urban Heat Islands:

- Monthly Surface Air Temperature (degrees Celsius)

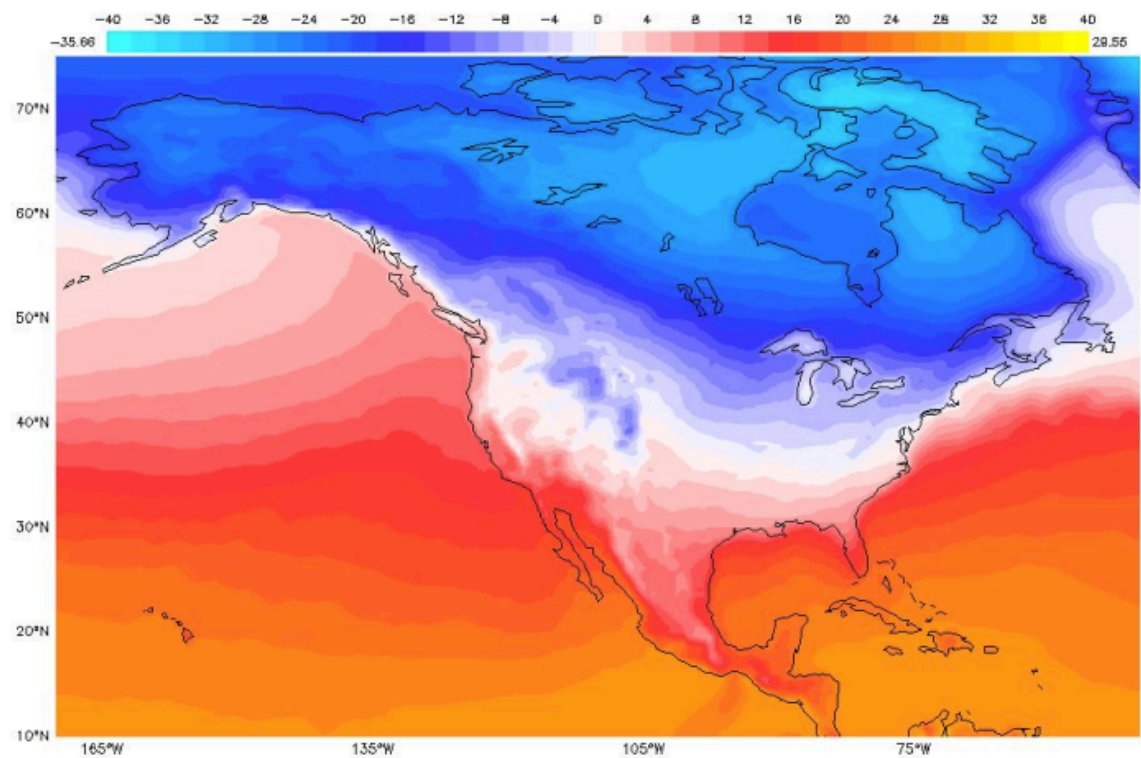

Data Set: Surface Air Temperature

Variable: Monthly Surface Air Temperature (degrees Celsius)

Date: January 2018

Phenomenon: Urban Heat Island

- Monthly Daytime Skin Temperature (degrees Celsius)

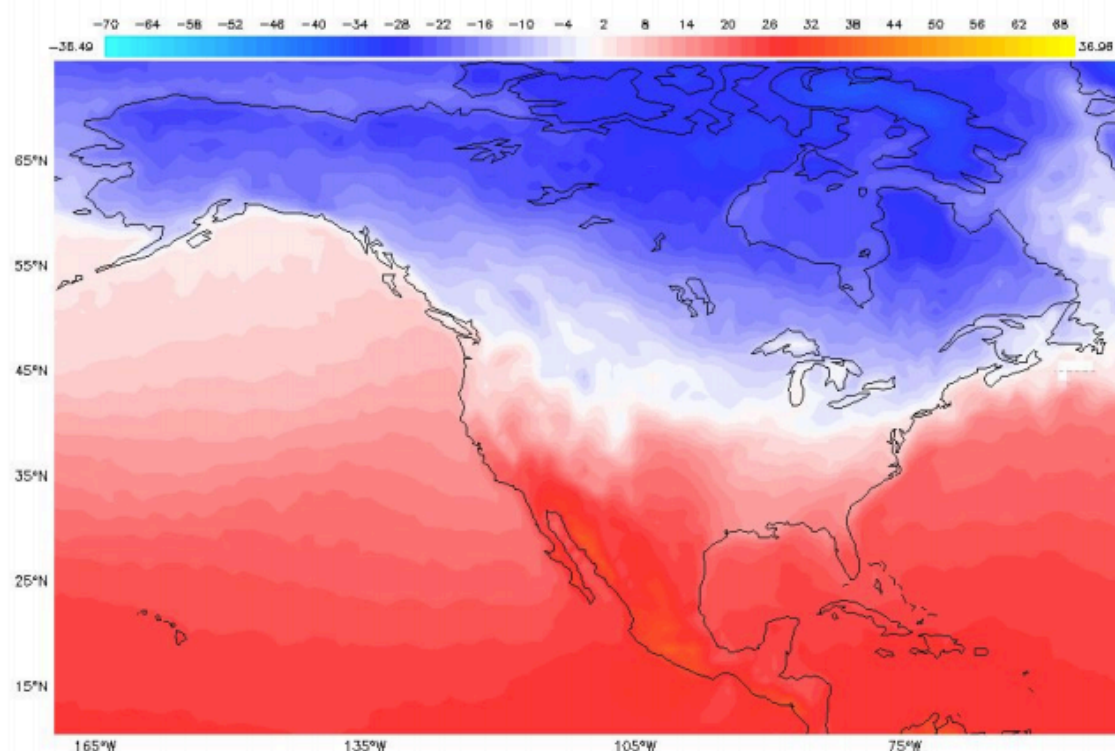

Data Set: Surface Temperature

Variable: Daytime Skin Temperature (degrees Celsius)

Date: January 2018

Phenomenon: Urban Heat Island
